Dave Olson, Sales Manager met with Willie Lucas the Information Technology Director for the Bad River Tribe on December 12, 2016.

We could provide, but do not as of yet, phone, internet, PBX, and cellular service in the Odanah area.

We discussed their current service and any new services they might be interested in or need.

We gave them copies of our prices for phone, internet, installation rates, cellular, and pbx products.

We also asked if there were any other items that needed addressed with them or anything else we could help them with.

There are no requirements for rights of way, land use, facilities siting rules, environmental review process, cultural preservation review, licensing requirements, etc.
